What is the AMFO?

The American Montessori Family Organization (AMFO) is a partnership between American Montessori Academy's (AMA) families and educators who strive to enhance student learning and enriching the lives of our students through a variety of fundraising events. It is also a forum for families to obtain knowledge and voice their opinions about what is happening in their school.

Last year, through our fundraising efforts, the AMFO was able to assist teachers with busses for field trips, assist with the purchase of new playground equipment and the planning of various activities held at the school. This year we want to build upon the aforementioned achievements and continue to provide the very best support to our students.
